Purchase Mac Version of AudiFab Music One

Quick Link: To buy a license key for the Mac version of AudiFab Music One, click Here.

1. Why should I buy Mac version of AudiFab Music One?

AudiFab Music One Mac version is a shareware, and the trial version limits users to convert the **first minute** for each audio for sample testing. After purchasing the program, you will be offered a license with your registration e-mail and key code which will unlock the trial version limitation.

- 2. What benefits do I have after registration?
- You can convert streaming songs without time limitation.
- You can enjoy lifetime FREE upgrades to the latest versions of the same product.
- You can enjoy FREE technical supports.

Register Mac Version of AudiFab Music One

Step 1. Run AudiFab Music One on PC, and click the "**Register**" icon to open the registration dialog and fill in with your registration info.
